CAR LOAN APPLICATION

- ❖ The maximum loan from 1 April 2011 is £10,685 repayable over a 4 year period at 5% interest.
- ❖ If the car you are proposing to purchase is second-hand, but not more than 4 years old, the Church Commissioners require a Vehicle Inspection Certificate to be submitted with the application form. This certificate costs between £28 and £40 (which sum may be included in the loan) and details of these are on the **Paper B** attached. **Your garage will advise you.**
- ❖ If the car is more than 4 years old, the Church Commissioners require, in addition, an Independent Engineer's Report – and in these cases the Commissioners may reduce the period of the loan, or disallow the loan, if the car is particularly old, or has a high mileage.

Please complete :

- i. the Application Form, **Paper A** attached and return it to me, together with :
- ii. the Vehicle History Inspection Form (if appropriate); and
- iii. the Archdeacon's Recommendation **Paper C** attached

These forms then will be countersigned by the Diocesan Secretary and sent immediately to the Church Commissioners. The Church Commissioners are always very obliging and deal with Car Loans very quickly; but do allow a week for receipt of the cheque. Alternatively payment may be made direct to your bank account by the BACS system should you so wish. Please complete the application form appropriately.

Please do not hesitate to telephone me if you require any further information.
