Brampton Park Golf Club

(between Buckden and Huntingdon just off the A1)

2009 was to be the very last Charity Golf Day I organised... however, many friends enjoyed both the golf at the 'interesting' course at Brampton Park and the whole day, so I am delighted to invite teams to enter this year! Not only do you have a good day playing golf, enjoy a good meal and meeting friends but you also raise valuable funds for two very good causes.
