The Work of the Cambridgeshire Historic Churches Trust

The Trust's main aim is to provide financial assistance to the parishes of Cambridgeshire when they undertake repair projects affecting the fabric, fixtures, fittings, furniture and ornaments of their historic churches and chapels.

To this end the Trust has a policy of making grants and interest free loans from it's funds to allow repair work to be undertaken without delay and to provide quite often a much needed cash-flow for large scale projects.

The Trust's main fundraising event is the Annual 'Ride or Stride'. This year it takes place on Saturday 11th September 2010. In 2009, we raised £26,169 & the continuing success of this event is absolutely crucial to the amount of funds we have available to help your Church and the many other glorious Historic Churches of Cambridgeshire. So please do encourage your church and your fellow parishioners to take part.

To find out how you can take part in the Ride & Stride & to find details of how to contact your local deanery organiser, please visit our website
