This is the ninth annual Celebration of Wholeness and Healing at Ely. Each year it is our hope and our intention to offer new insights into Christian Healing Ministry, to enable us to be more effective in our mission and ministry. Dr. Gareth Tuckwell has a wealth of experience in the healing Ministry, having a special interest in Palliative Care.

'The real focus of Christian healing is not only the physical or emotional problems from which we suffer. It is an invitation to go on a journey into wholeness with God where the richness of his care is nurtured in our relationships and to the roots of our being.' ('In search of Wholeness')
