

Diocesan Prayer Calendar

May - August 2009

Prayer is a very significant aspect of life as a Christian. The Bible contains much to display this. Jesus was asked to teach his disciples how to pray. He made an amazing promise, "you may ask me for anything in my name and I will do it" (John 14.v14). He stressed the importance of persistence. Hannah, mother of Samuel, "prayed out of her heart" for a son and we are told "God remembered her" (1 Samuel 1). The prophet Daniel prayed to God daily. Indeed, prayer is crucial to any relationship with God and Jesus.

The Prayer Calendar invites prayer for the work of the parishes in the diocese and for the decisions and activities of councils, committees and other bodies, which support their outreach. We are asked to pray for the clergy and lay ministers and for Churches overseas with which there are links. Thus are we reminded of the large army of saints encompassed within a diocese and with ties across the world.

We are reminded, too, to celebrate in our prayers events which identify the glory and the power of the Trinity at Ascension-Tide and Pentecost and to ask for God's blessing on the Ordinands at Peter-Tide. In this, the 900th year of the Diocese of Ely, there are also special occasions to remember in our prayers.

In his address in January, at the gathering in Ely of parishioners from all over the diocese, the Archbishop of Canterbury used as his text, "A city on a hill cannot be hidden" (Matthew 5 v14). He urged as Christians we should be atop such a hill, exposed as Jesus was exposed on Calvary, so that the radiant light that is Jesus might be displayed to all through our passion as disciples and our peace at having found our righteousness through Him.

Let us pray with the faith of Daniel and the heart of Hannah.
